

YUCA-WE100 PVT. LTD.

EMPOWERING NATION

ABOUT US

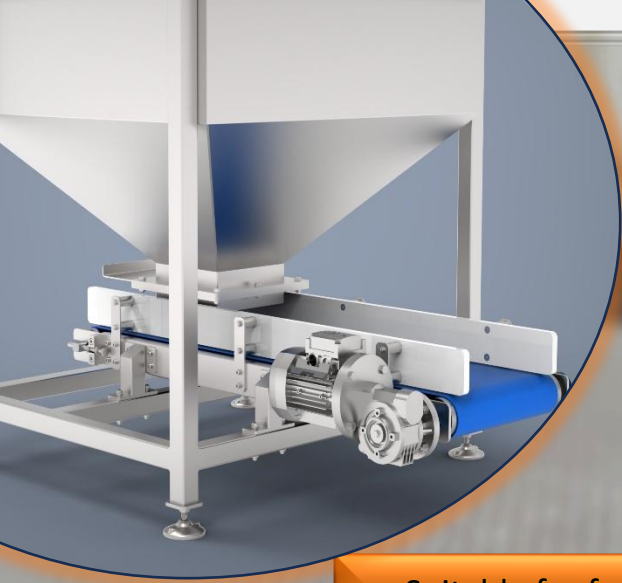

At **YUGA WE100 PVT. LTD.**, we specialize in designing and manufacturing advanced **food handling equipment** for food processing and packaging industries. With a strong focus on hygiene, efficiency, and durability, our systems are engineered to meet the highest international standards, including FDA, USDA, and CE.

Our Expertise

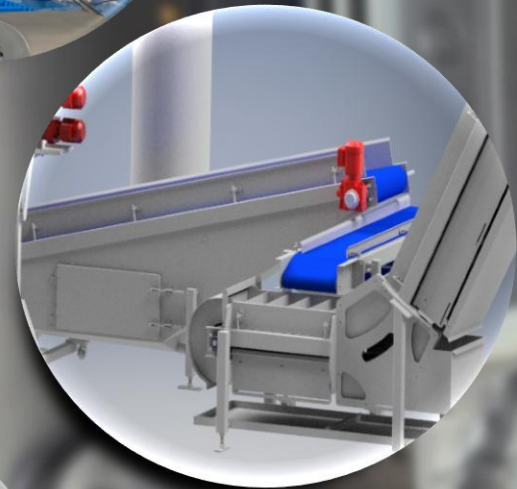

- Stainless steel, food-grade equipment ✂
- Fully customized solutions 🧠
- Turnkey project execution 🏭
- Compliance with global food safety norms ⛶
- Integration with automation and smart controls 🤖

Product Portfolio

Suitable for fruits, vegetables, grains, bakery, dairy

Flat, incline, cleated, modular belt types

Washdown-ready and hygienic design

Food Belt
Conveyors

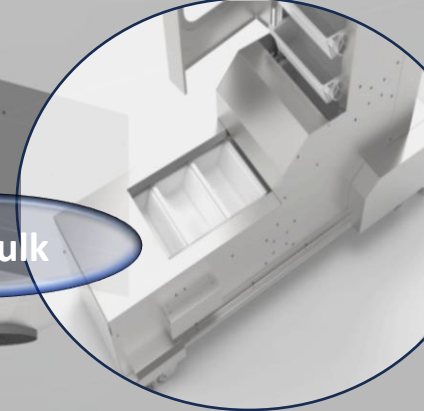

z

Bucket Elevators

1

- Smooth vertical movement of fragile and bulk

2

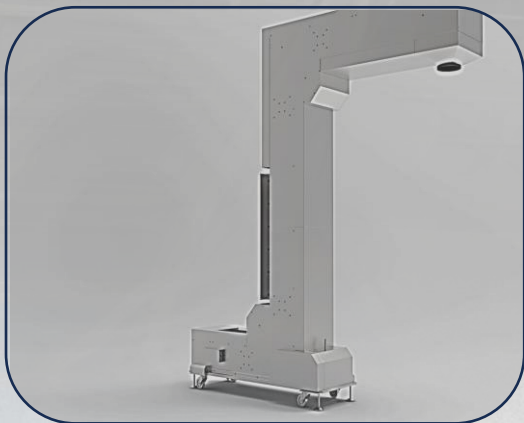

- Stainless steel or plastic buckets

3

- Enclosed, dust-free, and sanitary operation

4

- Custom discharge points and height option

For powders, granules, pastes, and
semi solids

***Screw
conveyors***

U-trough
or tubular
designs

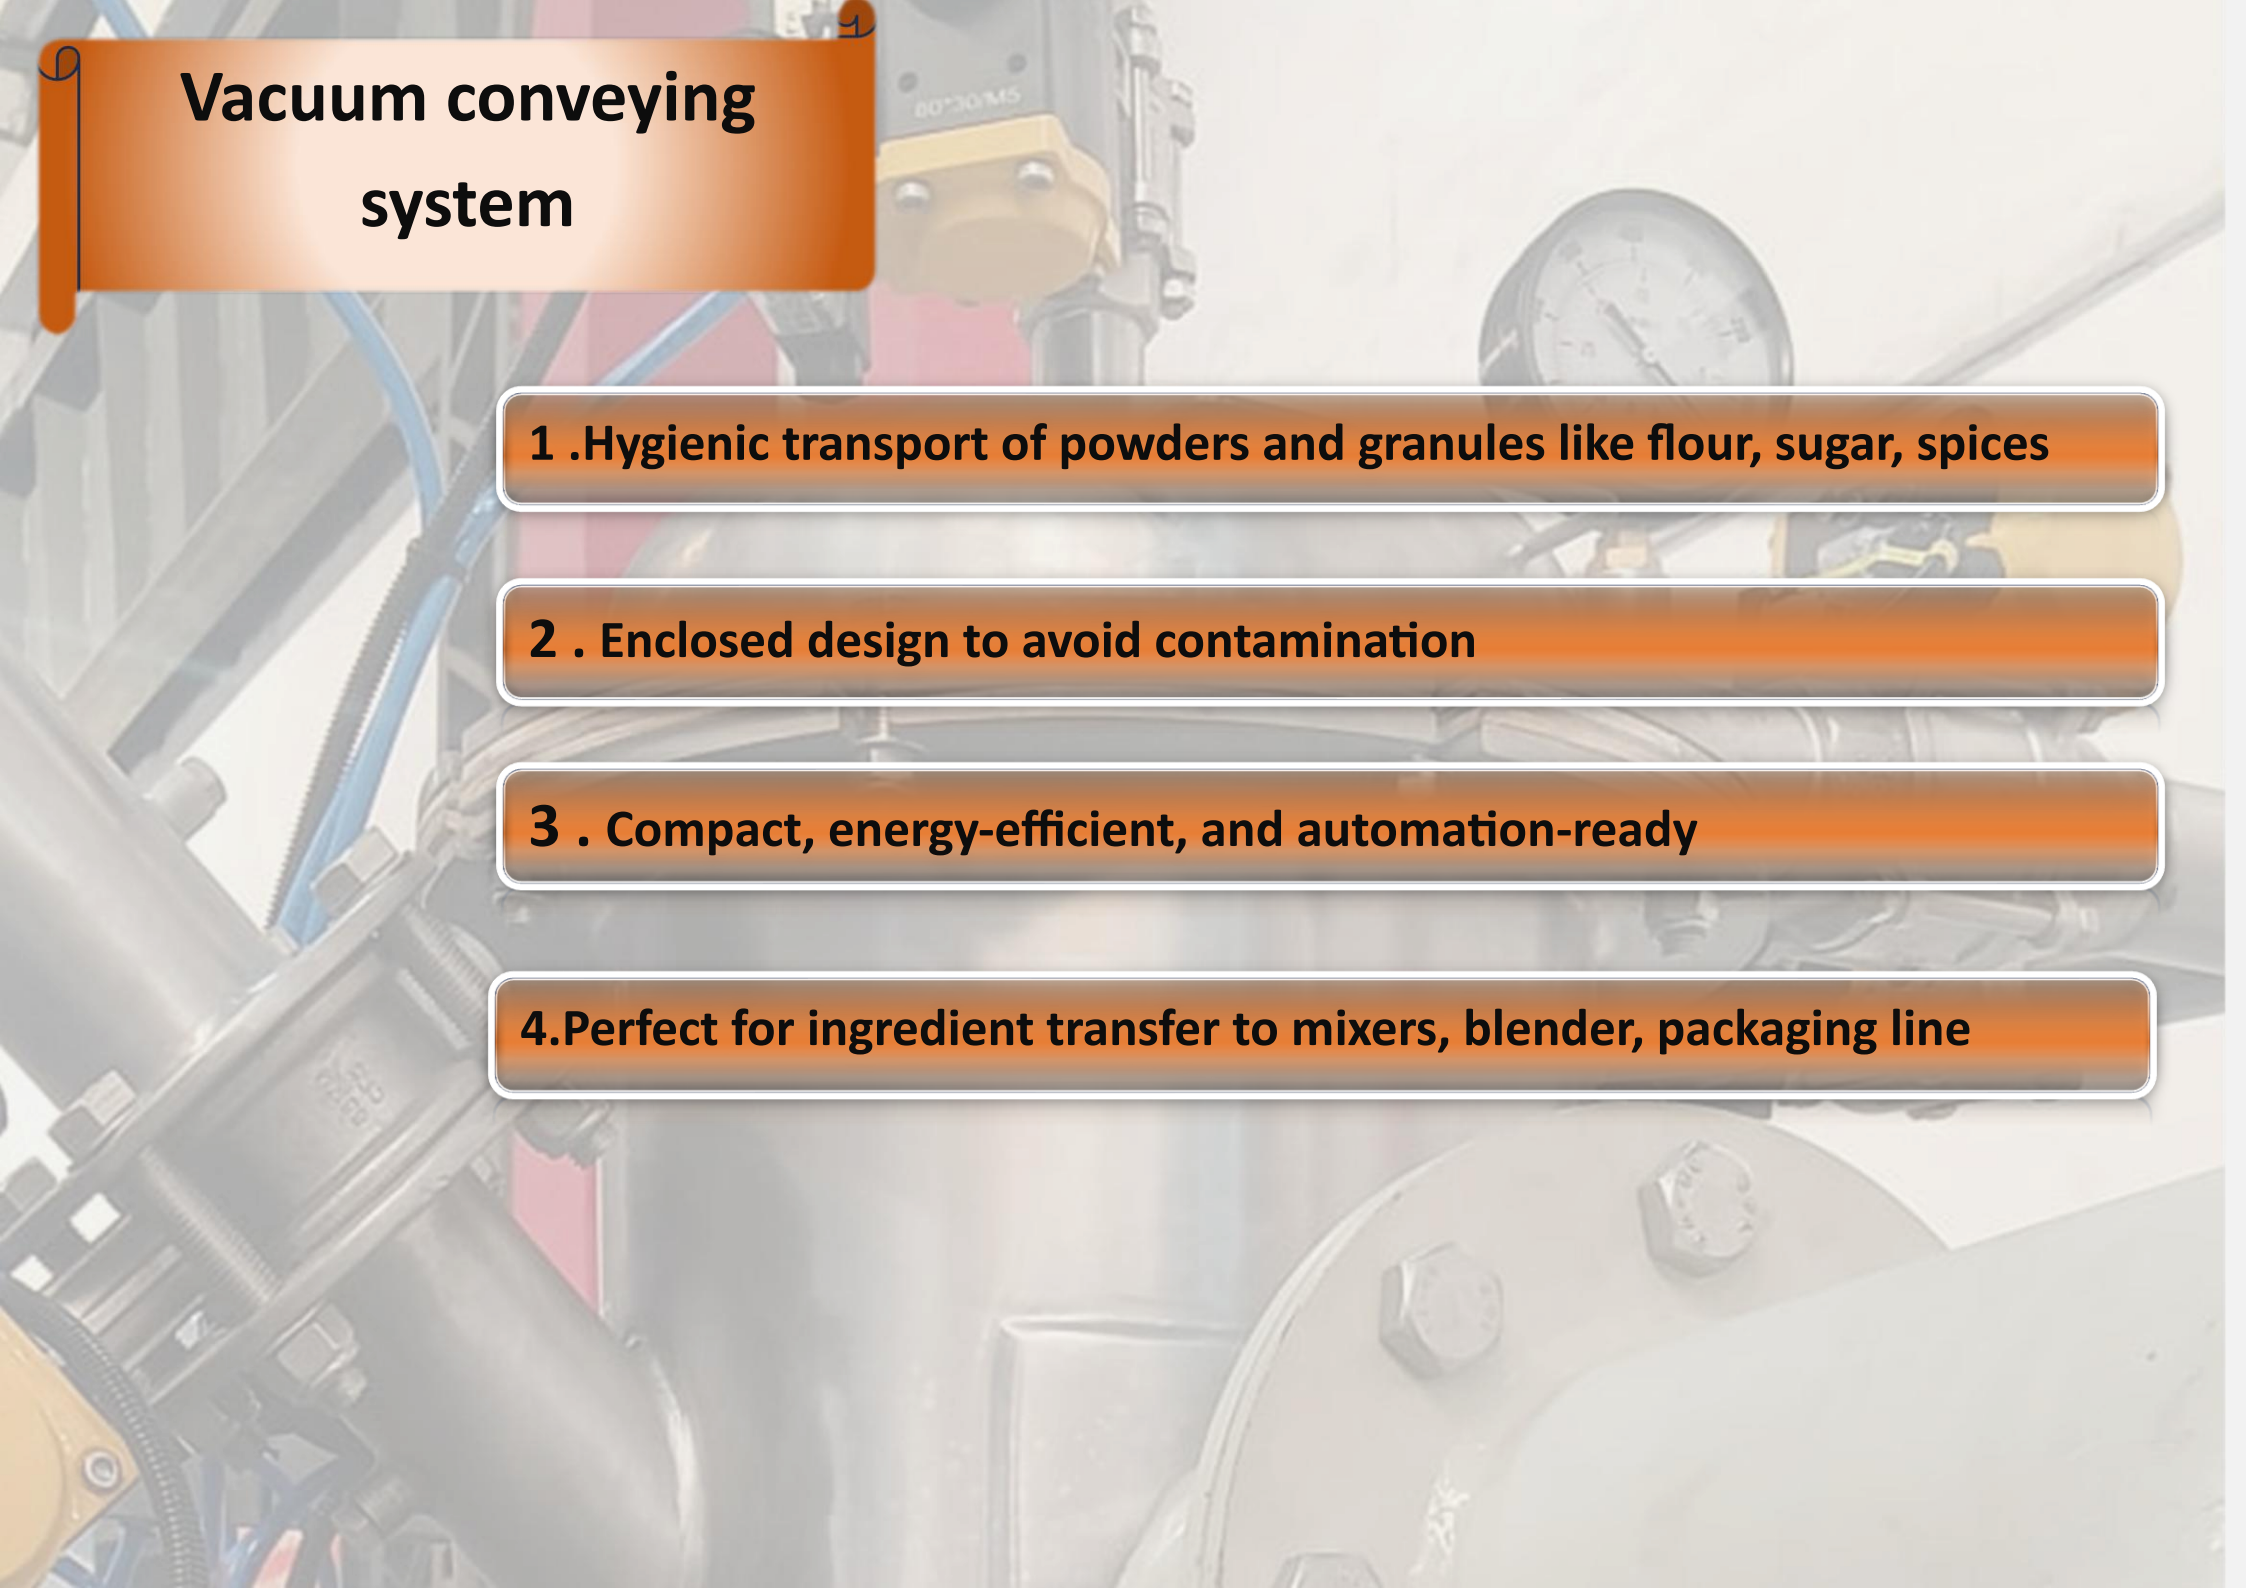

Fully
enclosed
and leaf-
proof

Quick-release for cleaning and
maintenance

Vacuum conveying system

1 .Hygienic transport of powders and granules like flour, sugar, spices

2 . Enclosed design to avoid contamination

3 . Compact, energy-efficient, and automation-ready

4.Perfect for ingredient transfer to mixers, blender, packaging line

VIBRATING CONVEYOR

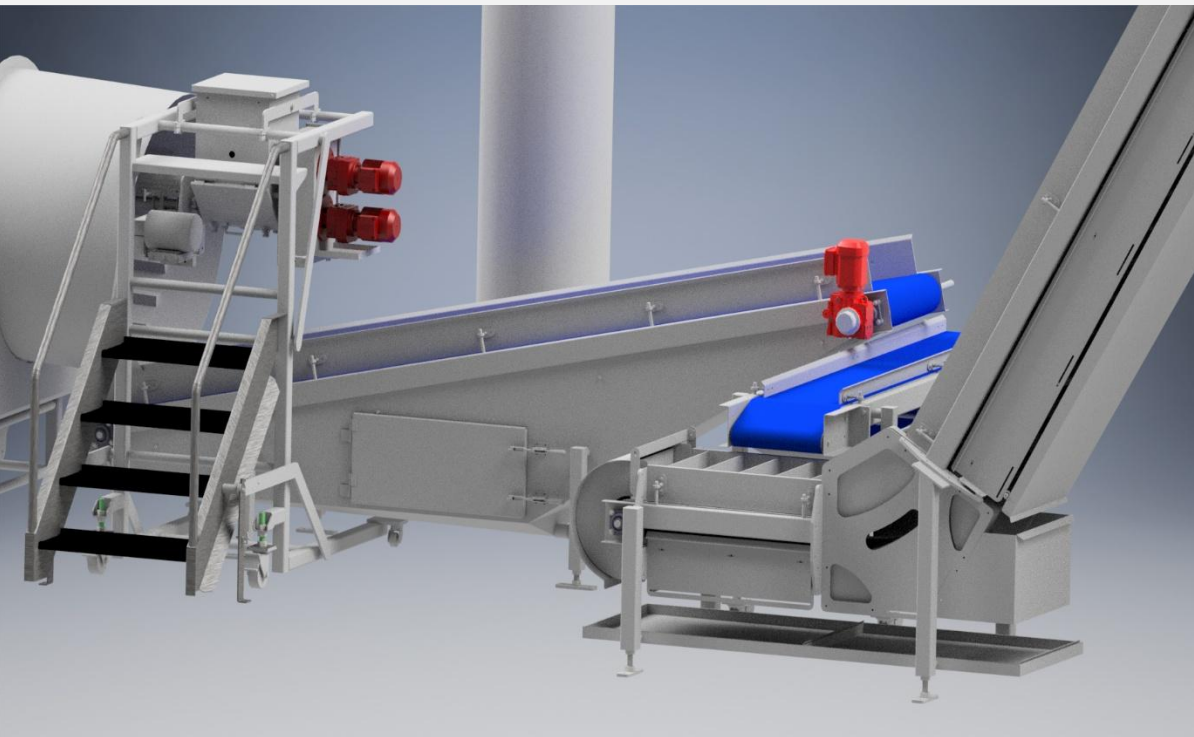

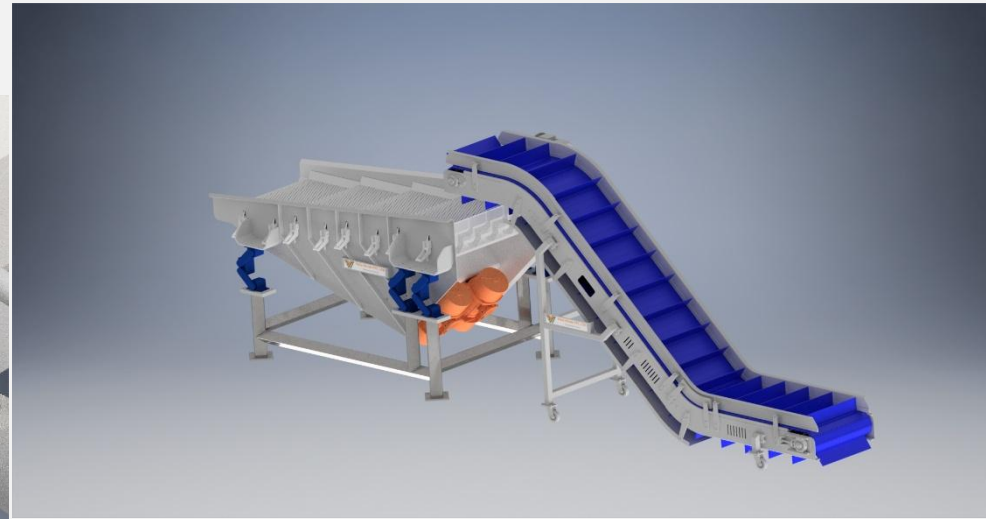

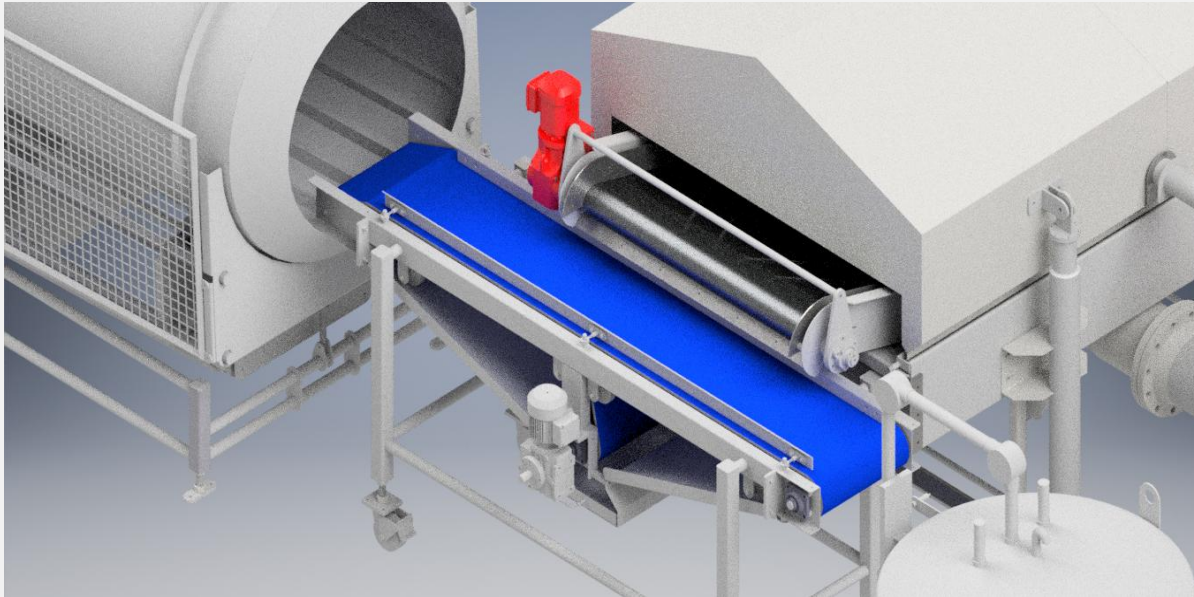

1 . Gentle transport of delicate, sticky, or fragile items like nuts, snacks, leafy produce

2. No belts — low maintenance, high sanitation

3. Adjustable vibration intensity.

3. Quiet and space-efficient operation

Custom-Built Systems

Custom-Built Systems

- Designed from scratch to fit your workflow
- Modular, scalable layouts
- CAD/3D modelling for precision fit and visualization
- Built for integration into existing lines

Industries We Serve

- Food & Beverage
- Dairy & Bakery
- Fruits & Vegetables
- Frozen Foods
- Snacks & Confectionery
- Spices & Ingredients
- Meat & Poultry
- Grains & Cereals

Why Choose YUGA WE100?

- ✓ Hygienic, Food-Safe Construction
- ✓ Custom-Engineered for Your Needs
- ✓ Complete Project Support – From design to after-sales
- ✓ Energy-Efficient & Long-Lasting Machinery
- ✓ Trusted by Leading Food Brands

Let's Build Together

Enhance your production line with reliable, food-grade equipment that delivers performance and peace of mind.
